ABOVE: Dave Mustaine of the satanic Heavy Metal band MEGADETH. This image appeared in an interview with Dave Mustaine by Alex Jones, on the March 15, 2012 *NIGHTLY NEWS* show. Clearly the fans of *MEGADETH* are worshippers of Satan (notice all the "I LOVE SATAN" signs)!

Despite professing on the *Alex Jones Show* in 2009 that he recently became a born-again Christian, Dave Mustaine still performs with MEGADETH (he basically is the band, since he writes, sings and performs all the songs). Mustaine produced a satanic tribute album titled "Th1rt3en" in November of 2011. Mustaine downplayed it as just being his favorite number. Take a look at the [album cover of the Heavy Metal band, SACRAMENTUM](#), which features the song "13 CANDLES." Who does Mustaine think he's kidding? Bathory is another name for Baphomet.

Britney Spears Makes Devil Horns in a Glee Advertisement. It's all a big joke to the world. As of February 2011, Spears has employed the Satanist director Jonas Akerlund to film the video for her new number one song "Hold It Against Me" and has released clips of the video via Twitter. Well, God will hold her wickedness against her on judgment day (Ecclesiastes 12:7,14).

READ MORE ...Akerlund has publicly worn clothing with images of Satan, the Sigil of Baphomet (the common symbol of Satanism), and has incorporated representations of Satan and Satanism or Luciferianism in many of his past video work, such as in Lady Gaga's "Paparazzi" and "Telephone" with Beyonce Knowles, Ozzy Osbourne's "Let Me Hear You Scream," and the porno music video for Rammstein's "Pussy." He was a member of the Swedish black metal band Bathory.

It was named after the Hungarian Countess Elizabeth Bathory who was the most prolific female serial killer in Earth's history and sexually molested and murdered over 600 young women and children to bathe in their blood to obtain "eternal youth." One of the band's many Satanic songs is "Satan My Master." It seems Akerlund is aiding the major music industry to help brainwash people into accepting the corruption of the New World Order Illuminati. Britney Spears' album *Femme Fatale* is scheduled for retail release on March 15. [SOURCE](#)

ABOVE: Despite all the denial of claims that the 'Hotel California' refers to the Church of Satan, consider that *The Eagles* manager, Larry Salter, admitted in the *Waco Tribune-Herald* (February 28, 1982), that the Eagles were involved with the *Church of Satan*! Not surprisingly, one of the Eagles' songs is titled "Have A Good Day in Hell." [Check out this creepy information about 'The Eagles.'](#)

Oh, listen my friend, you need the righteousness of Jesus Christ! This sin-cursed world hates Jesus Christ with a passion and curses His very name. How many more signs of Satan do you need to see to realize that Satan is in control of this world (2nd Corinthians 4:4). Consider that the publishing company for the United Nations was founded in 1922 as The Lucifer Trust, today known as [The Lucis Trust](#).

Consider [the occult connection](#) between all of America's mainstream religions. Consider the [occult symbols saturating Washington D.C.](#) Consider [empty seat # 666 in the European Union](#). Won't you [receive Jesus Christ now](#) as your personal Savior to forgive your

sins? John 1:12, "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name. END ~by David J. Stewart
